ONLY 16,500 miles!!

Babied!! This Car ROCKS!!!

\$34,125 Purchased New Price

\$28,425 Kelly Blue Book Suggested Retail

Asking

\$27,900 (Great Price!!!)

- **6-Speed AUTOMATIC!!!!**
 - However, it also has Sport Mode which allows you to shift through all gears –
 - It also features shift PADDLES on the steering wheel so you can shift through all the gears **“Formula-1” style** – now that’s BAAD! (and fun!!)
- **All leather interior**
 - Heated Seats Driver / Passenger
 - Manual seat adjustments
 - Allows you to adjust height as well for a custom ride
 - More room than you think!
 - Once you sit in this baby, you’ll be blown away by the space it actually DOES have! (even in the rear seats)
 - Remote powered / heated mirrors
- **Premium Harmon Kardon 8-speaker sound system (Kicks Tail!!!)**
 - **CD Player plays standard CDs and MP3 CDs**
 - That means you can burn about 100 of your favorite songs to a CD as MP3’s and this baby will play them!
 - **Auxiliary input jack in the glove compartment!!**
 - I use it to connect my iPod to the stereo system – it is VERY COOL! And I have all my favorite songs!
 - I have also used it to plug in a DVD player so you get that true STEREO sound while your passengers are enjoying a flick!
- **BlueTooth Phone system** (your phone must have Bluetooth for this option to function)
 - Allows for Hands-Free calling including **VOICE-ACTIVATED** controls! (very nice...and safe!)
 - When you receive a phone call, the system will automatically mute the stereo and allow you to carry on your phone call
 - If you’re listening to a CD, it will pause the CD until you’re done
 - Once you hang up, you go back to your music!!
 - JAM as loud as you want – and never miss a phone call!!!

- **Multi-Function steering wheel includes controls for:**
 - o Cruise Control
 - o Stereo Controls
 - Volume
 - Station Preset Control
 - CD Track Control
 - o Also has buttons for Bluetooth Phone control with the right Bluetooth system
 - o Can also control the functions of an iPod with the right iPod kit
- **COOL Exterior Options**
 - o Black Bonnet Stripes
 - o Driving lamps (those are the ones in the center by the bonnet stripes)
 - o Front and Rear fog lamps
 - o Dual Exhaust
 - o Custom MINI R90 Premium 17" Wheels
 - These are NICE – and not cheap!! These really set the car off!
 - o Rear Spoiler
 - o Tinted Windows all around (custom added)
 - o Sliding moonroof almost makes this MINI a convertible!
 - o Rear moon-window for the back seat passengers

In a nutshell, this car turns heads AND CORNERS!! It handles like a Go-Cart!!!

Made by BMW, this car still carries the remainder of a 3-year / 36,000 mile warranty (2 years, 20,000 remaining), which covers all your oil changes and major repairs (standard coverage stuff).

Runs on synthetic oil, so you only need a change once every 15,000 miles!!

GREAT ON INSURANCE

- Since it is a 4-cylinder (that totally blasts off!!) it is considered a 4-cylinder compact car by your insurance company – not a sports car. So insurance rates are great for this kind of ride!

GREAT ON GAS

- **23/37 MPG** (not an estimate, that's what I get) of course, it all depends on how you drive it. TRUST ME, it's a challenge to keep your foot off the gas!)

YOU WILL LOVE THIS CAR!!
